Re: Leo P. McDonald former  
Cubmaster, Pack 3526

Dear Johnny:

Although we wrote you on April 3, requesting the replacement of Leo P. McDonald as Cubmaster of Pack 3526, we have not yet received an application for another man in this position.

If it is difficult to recruit new leadership, perhaps one of the men already registered would be willing to serve as Cubmaster for the present.

Won't you please take this up with the Parents Club which sponsors the Pack and see what can be done?

We'll continue to hold the Pack application until July 17. If, at that time we have not heard from you, we'll assume that nothing more is to be done, and we will return the application to your office and refund all fees.

Sincerely,

Earl L. Krall, Director

Dear Skipper:

We had an incident occur at our camp this summer that I feel the enclosed sheet will explain. To my knowledge, the man involved in this case is not currently registered in Scouting; however, here is some background information, in case he wishes to register at any other time:

Leo Patrick McDonald  
7217 Farndale  
San Diego 14, California

This is his current address.

Our records indicate that in November 1959, he was registered as an Explorer Advisor in Regional 12, Council 27, District 1, Explorer Post 2052. At that time, he was residing at 710 Mildred Street, apartment 1. He was 31 years of age, Catholic religion, and American citizen.

It is our understanding that he is currently employed as a school teacher in the San Diego, California area.

We have not moved forward on this to make a legal matter out of it, and we do not intend to do so. We do feel, however, that this information should be forwarded to your office for action.

Sincerely yours,

Memo to: Robert L. Fitzpatrick

Subject: Leo McDonald

I came back into camp on Tuesday July 23rd at which time [REDACTED], the Provisional Scoutmaster came to me and informed me that three boys had come to him and told him of improper advances made by Leo McDonald. Then I went over to Wood Badge and talked to [REDACTED] and he advised me to talk to each of the boys separately, which I did.

The first boy I talked to had been on an overnight week-end with Leo and a troop. This took place on July 10th. This boy informed me of what advances Leo had made to him and said he had been too scared to inform me previously and had gone to his Priest and his Priest advised him to stay away from Leo and the Priest did not advise him to do anything else.

The second incidents occurred on Saturday night July 20th at which time Dick Mulliner, Camp Director and I were in camp, but not informed until after it happened. On that Saturday night the whole staff was out of camp with the exception of possibly 4 staff members and Leo returned from Huntington Lake - Where he had been drinking according to the boys. He came into the first boy's tent at approximately 2:00 A. M. in the morning, talked to him for awhile and then made improper advances. The boy stated he was so scared that he didn't do anything or say anything and finally Leo left the tent. He went into the second boy's tent, talked to him for awhile and started to make advances and the boy told him to get out, which he did.

I talked to each of the three separately. These were their stories and they were willing to face him as a group and accuse him to his face. All this happened on Tuesday and these are the stories the boys gave me.

Dick Mulliner came back into camp Tuesday night and I consulted with the resident Dr. about one boy who was in a state of shock from the whole thing. (This was the second boy.) On Wednesday the troops were going on an overnight and when they were all out of camp (Wednesday afternoon) I told Leo that I wanted to talk to him and he came down to headquarters tent. Dick was also there. I started the conversation by telling him (Leo) that there was no room in Scouting for homosexuality, nor was there room for it in a Scout Camp. He agreed with me. I then told him that there were three boys who had accused him of such acts and were willing to face him and make their accusations. He asked me for the names of the boys and I told him that was not necessary because he knew who they were and I knew who they were, but they were willing to come forward, if necessary, but I didn't want that and I didn't think he did. I then asked if he could deny their accusations and he stated that he would neither deny nor admit them. He asked me what I wanted him to do. I told him that there was no place for him in Scouting or in the Scout Camp and I wanted him to leave as soon as possible. He was out of camp within 20 to 30 minutes.
